This Gala is designed to show appreciation to all volunteers who dedicate their time and hard work to various South Stormont initiatives.

Unfortunately the Community Hall is not large enough to invite the hundreds of people who deserve to be there but a concerned effort is made to rotate as many as possible so that every volunteer has a chance to be recognized at some time.

This year's recipients were Isabelle Paquette as the 2024 Youth Volunteer of the Year. Isabelle is a student at Tagwi Secondary School and has contributed over 400 volunteer hours at her young age. Congratulations Isabelle!

For the adult recipient, the 2024 Volunteer of the Year Award was David Smith, who was not able to attend. Sara Andrews, David's daughter, was able to accept the award in his absence.

The Gala Committee once again done a fantastic job of organizing the event and decorating the hall.

With the theme changing from year to year, it is very challenging to be as creative as they are to insure this magnificent event doesn't get stale.

So...the Gala has come and gone but you can be sure that many of those in attendance were planning and organizing the next event, beautifying the Township, or coaching minor sports. There are so

many ways to chip in and if you don't already, roll up your sleeves and join the fun.

LOST VILLAGES HISTORICAL SOCIETY

In another few weeks, the doors of the Lost Villages Museum will swing open, and we will welcome visitors from all corners of the world. We keep our fingers crossed that the Stuart House and Forbes Memorial Reading Room will be ready for opening day. We still work to recover artifacts that we're impacted by the January floods.

For 2025, we will welcome five historical interpreters to the site. Evan Bilmer and Miranda Villeneuve will return for another summer, with Evan assuming the position of Supervisor of Historical Interpreters. We also welcome Owen Belanger, Tenley Hogeveen, and Lily Kilbride as first time interpreters. The historical society wishes these five historical interpreters well, and we thank the Township of South Stormont for, once again, having these students as part of the municipality summer program.

The Executive and members of the Lost Villages Historical Society mourn the loss of our dear and esteemed member of the executive, Marc Pilon (Jan. 15, 1964-Apr. 24, 2025). As one of the "Lost Villages Divers", Marc made many, many valuable contribution to the historical society and to the Seaway Valley Divers. As we all know, Marc was just getting started with his blogs

to the websites of both organizations. We extend sincere sympathy to Marc's dear wife, Diana, his daughters and sons-in-law, Brianne and Grant Winchester, Kerrigan and Rob Varma, and Madison and Tyson Richardson, and his five grandchildren, Ray, Lennon, Lyle, Burke, and Jameson. A Celebration of Life for our dear friend will be held at the Lost Villages Museum on Saturday, May 31st at 1:00 pm.

The AGM Dinner meeting of the LVHS will be held on Monday, May 19th, at Trinity Church Hall Ingleside, beginning at 5:30 pm. Cost for the Ham & Scalloped Potato Dinner is \$25.00, with reservations required at jim.k.brownell@gmail.com or 613-534-2423. The guest speaker is Nichole White, President of the St. Laurent Genealogy and Archives, Cornwall.

President Jim Brownell will, once again, host summer bus tours "Through the Lands of the Lost Villages". The tours, at \$45.00/seat, are on Sunday, June 22nd, July 20th, August 24th, and September 14th. Tours depart from the museum site at 1:00 pm with return at 5:00 pm, where a barbecue awaits under the Farran's Point Pavilion. Seat reservations may be made at the museum on or after June 2nd, or purchased by e-transfer at the historical society's website under "Tours" at www.lostvillages.ca.

a kayaking accident in the Bay of Fundy, Nova Scotia, a man answered his door to find two grim-faced Mounties. "We know it's late, sir, but we have some information about your wife," said one of the Mounties.

"Tell me! Did you find her!?" the husband shouted.

The Mounties looked at each other. One said, "We have some bad news, some good news, and some really great news...Which do you want to hear first?"

Fearing the worst, the ashen husband said, "Give me the bad news first."

The second Mountie said, "I'm sorry to tell you, but this morning we found your wife's body in the bay."

"Oh my God!" exclaimed the husband. Swallowing hard, he asked, "What's the good news?"

The Mountie continued, "When we pulled her up, she had 6 twenty-five pound snow crab and 12 good-size lobsters clinging to her.

Stunned, the husband demanded, "If that's the good news, what's the great news???"

The Mountie answered, "We're gonna

Incredible Edibles is coming to Long Sault

Organized by Transition Cornwall+ Food Action Group, this event which has been giving away free vegetable plants for thirteen years in Cornwall is now happening here, at Christ Church car park, Saturday, May 31st, 11 am to 1 pm.

We are a group that wants to encourage people to begin growing their own food and enjoy local produce. With that in mind, over 3,000 plants are grown by volunteers in our area including those in Long Sault or donated by local professional growers. A large number are offered and taken by not for profit organizations for their clients and residents and the rest we give to the public at specific giveaway sites – two per person or four per family. The list of vegetables is long: from patio tomatoes, peppers, bush beans to basil and parsley. This year, as well as in Long Sault there will be plants in Cornwall at the Agape Centre, St. Theresa Park and Mattice Park.

As we want to reach out to people who do not have gardens, we repot many vegetable seedlings in large permanent pots so people can put them on balconies, front doorsteps or window sills and still have the pleasure of growing and eating their own food. Other plants are in small pots for replanting into gardens.

If you are new to gardening, don't worry, as at each site including the Christ Church carpark, we will have experienced gardeners who can answers your questions and offer planting and maintenance advice.

This annual event is made possible by our volunteers, the City of Cornwall, Marlin's Orchards, Cornerstone Organics, Kinsmen Farmers Market, Long Sault Christ Church, Knox St. Paul, and Agape.

Transition Cornwall+ Food Action Group is a working group with the Social Development Council of Cornwall and Area.
